

Petition for a Party for Working People

Both major parties in our country are putting lobbyists and big donors ahead of the interests of the American people. Please sign if you believe that we need a major new party that takes no money from corporations and billionaires. This is our democracy and we deserve a party that represents working people.

Circulator certification: I, _____, am a volunteer circulating petitions with the Movement For A People's Party in the state of _____.

Please print legibly in all fields.
